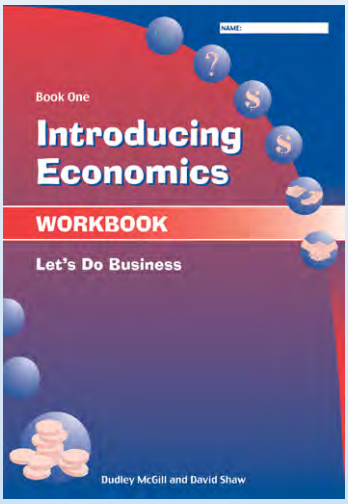
Years 9 & 10 Economics



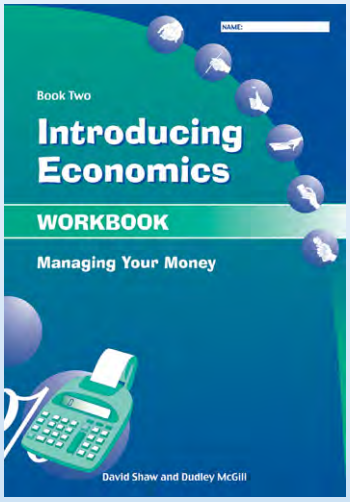
Let's Do Business (60 pages) **$8.00**

Book 1: Let's Do Business

- A step-by-step guide to forming a simple enterprise.
- Removes the mysteries surrounding entrepreneurship and enables students to recognise their creative potential.
- Includes learning outcomes for each section and assessment activities designed to check these outcomes.

Book 2: Managing Your Money

- A practical step-by-step guide to money management.
- Improves financial literacy.
- Connects the individual into economic activity.
- Demonstrates the consumer's importance to economic activity.
- Covers a large section of the junior curriculum in economics.



Managing Your Money (96 pages) **$10.00**

Economics Games

- There are 4 games which students can use in conjunction with *Let's Do Business* and *Managing Your Money*.
- Students will learn some of the realities of business (profits, hazards, competition and record keeping) in a fun and interactive way.
- They will also learn the importance of balancing income and expenses to generate a better understanding of the principles of budgeting.
- Each game is designed for 2-5 players and comes with 5 counters, dice, 20 scoresheet and 1 master scoresheet. A2 size, foldable to A3.
- 1 – 4 games $12 each, 5 – 8 games $10 each, 9 or more games $8 each.
